Devine, Millimet & Branch, Professional Association, is a large New Hampshire law firm with three offices in New Hampshire. The firm's lobbying practice is only one piece of the firm's broad range of work, and the attorneys involved in the lobbying practice also perform legal work which is completely unrelated to lobbying. All fees for services and reimbursable expenses paid by Devine, Millimet & Branch clients (including lobbying clients) for this period and prior periods are deposited into the operating revenues of the law firm. All operating expenses of the law firm are paid from operating revenues of the law firm. Thus, it is impossible to determine with any more specificity how money placed into our general operating account was later used.
